VENUE:

Istanbul (Turkey) is one of the most impressive cities in the world: unique for its culture، historical and artistic richness، cultural and musical events of all kinds، lovely weather in winter and tasty gastronomy.
Istanbul is one of the world's great cities famous for its historical monuments and magnificent scenic beauties. It is the only city in the world which spreads over two continents: it lies at a point where Asia and Europe are separated by a narrow strait – the Bosphorus. Istanbul has a history of over 2،500 years، and ever since its establishment on this strategic junction of lands and seas، the city has been a crucial trade center.

We look forward to seeing you in Istanbul.

Sincerely،

INTCESS15 Organizing Committee
