International Conference on Engineering، Technology، and Applied Science (ICETA) 2015
22nd to 24th April 2015
Taipei، Taiwan

With the advancement of engineering، technology، and applied science، these fields become more sophisticated and interacted. Hence، International Conference on Engineering، Technology، and Applied Science (ICETA) 2015 covers a wide range of fields in engineering، technology، and applied science. This conference enables interdisciplinary collaboration between science and engineering technologists in the academic and industrial fields as well as networking internationally. No matter abstracts or full-length papers are all welcome. All submissions to the conference will go through blind review processes by at least two independent peers. Selected papers will be recommended for the fast track reviews by the sponsored journals.
