2017 International Conference on Education، Psychology، and Learning (ICEPL 2017) is to be held in Sapporo، Hokkaido، Japan، on August 23-25، 2017. The aim of this conference is to provide a platform which focuses on important topics of Education، Psychology، and Learning. Since more than 20 different countries are typically represented، presenting at this conference is a great way to get feedback from researchers with different perspectives. Detailed information about the conference can be found).http://science-techs.org/icepl/on the conference website (

We sincerely invite your participation for this important academic event. Please submit full paper or abstract by April 15، 2017. All submissions will be subject to a double-blind review process. All accepted manuscripts will be published in the conference proceedings، under an ISSN reference، on CD-ROM support.

The conference venue Sapporo is one of the most exciting and visited cities in Japan. As the capital of Hokkaido and Japan's fifth largest city، Sapporo was chosen as the island's administrative center and enlarged according to the advice of foreign specialists. Sapporo became world famous in 1972 when the Olympic Winter Games were held there. Nowadays، the city is best known for its beer، ramen and the annual snow festival. We believe that you will enjoy your stay in Sapporo. If you need any assistance، please feel free to contact us.
