SITE 2017 CALL FOR PAPERS

site.aace.org Society for Information Technology and Teacher Education
March 5 – 9، 2017 Austin، Texas، USA

Proposals Due: October 21، 2016

SITE 2017 is the 28th annual conference of the Society for Information Technology and Teacher Education. This society represents individual teacher educators and affiliated organizations of teacher educators in all disciplines، who are interested in the creation and dissemination of knowledge about the use of information technology in teacher education and faculty/staff development.

SITE is unique as the only organization which has as its sole focus the integration of instructional technologies into teacher education programs. SITE promotes the development and dissemination of theoretical knowledge، conceptual research، and professional practice knowledge through conferences، books، projects، and the Journal of Technology and Teacher Education (JTATE).

You are invited to attend and participate in this annual international forum which offer numerous opportunities to share your ideas، explore the research، development، and applications، and to network with the leaders in this important field of teacher education and technology.

http://site.aace.org/sigs/ There are over 800 presentations in 25 major topic areas!

The Conference Review Policy requires that each proposal will be peer– reviewed by three reviewers for inclusion in the conference program، and conference proceedings.
