RDC 2017 – Rural Development Conference 2017
7-9 July 2017
Bangkok، Thailand

contact@tomorrowpeople.org Enquiries:
http://www.rdconference.org Web address:
Sponsored by: Tomorrow People Organization

Dear Scholars، Students، NGO and governmental representatives:

Rural Development Conference 2017 will focus on issues related to agricultural and rural development and will host distinguished delegates form over 60 countries worldwide، coming from academic، NGO، governmental and business realms.

RDC 2017 is intended to be a forum، discussion and networking place for academics، researchers، professionals، administrators، educational leaders، policy makers، industry representatives، advanced students، and others interested in rural development and agriculture.

More specifically، it targets:

Scholars: Share your research، learn some new approaches، hear about others' experiences and pass on your knowledge and experience.

Government officials and policy makers: Learn about the best practices، rural and agricultural development strategies and systems around the world؛ network with other policy makers and NGOs working in the field of supporting rural development.

NGOs: Network with other international NGOs، possible donors and colleagues from around the world and share your achievements and strategies with others.

Graduate students: Meet your colleagues from around the world، make new friends، and improve your knowledge and communication skills.

Company representatives: This is a chance to improve your leadership skills، learn more about the importance of critical issues in achieving the high performances of your organization، meet your colleagues، exchange ideas and establish new connections and partnerships.

Others: Anyone who is interested in making some positive changes around them and gaining new knowledge، skills and friends and becoming more useful to their own communities.

Rural Development Conference 2017 will provide unlimited resources and opportunities to interact with prominent leaders in the fields rural development and agriculture and greatly expand on your global network of scholars and professionals.
