

International Symposium on Business and Management –ISBM 2014
Nagoya, Japan

The 2014 International Symposium on Business and Management will take place in Nagoya, Japan, April 2–4, 2014. This Symposium will serve as a platform for international exchange of ideas, collaborations and cooperation. English is the official language of the symposium. We welcome paper submissions. Prospective authors are invited to submit abstract or full papers electronically through the symposium management system.

All submissions to the symposium will be reviewed by at least two independent peers for technical merit and content. It is anticipated that a broad range of research and applied topics will be covered during the symposium.
