

2nd International Symposium on Rethinking The Qur'an – Concepts and Terms in the Qur'an
10th to 11th May 2014
Ankara, Turkey

This comprehensive meeting will focus upon concepts and terms used in the Qur'an. It will be held on 10th to 11th of May 2014, in Ankara, Turkiye. This symposium is an interdisciplinary conference that provides the opportunity to gather academicans and researchers from different countries and to discuss the issues and display the most recent development in studying Qur'anic concepts and terms. The aim of the meeting is to co-operate with specialists on concepts and terms used in the Qur'an and create an international platform to discuss and exchange of ideas among scholars.

We look forward to seeing you in Ankara.
