

International Conference on Human Sciences and Education (ICHE 2014)

24th to 25th March 2014

Kuala Lumpur, Malaysia

The International Conference on Humanities Sciences and Education (ICHE 2014) is an international conference that invites academicians, scholars and researchers, with broad and diverse research interests, from all around the world to meet and exchange the latest ideas and views in a forum encouraging respectful dialogue. ICHE 2014 examines the nature of disciplinary and interdisciplinary practices in the study of Humanities Sciences and Education research that arise in the context of theory and 'real world' applications of researches.

The ICHE 2014 offers a comprehensive overview of current thinking in the study of Humanities Sciences and Education research, from big picture analyzes to detailed case studies of real world applications of researches and theory. The conference traverses a broad intellectual terrain, from theory, analysis to practical strategies for action.
