

Finance and Economics Conference 2014

13 to 15 August 2014

Munich, Germany

You are invited to submit your abstract for the Finance and Economics Conference 2014.

Besides providing you the opportunity to present and publish your own research, the conference also offers excellent networking opportunities during the lunch and coffee breaks. There will be a buffet with Bavarian food specialities during the opening reception in the evening.

The international conference audience consists of leading academics from the fields of finance and economics as well as business practitioners in the fields.

) for details about abstract requirements <http://www.lcbr-fec.org/> Please consult the conference website (and deadlines.

Papers presented at the conference will be published in the Conference Proceedings of the Finance and Economics Conference.

The deadline for abstracts/proposals is 15 March 2014. However, persons interested in submitting abstracts are strongly encouraged to submit their proposals as early as possible, since acceptances are made on a rolling basis.

This international academic conference is organized by the Lupcon Center for Business Research, which is based in Germany and has the mission to enhance the collaboration between business and academia.

Abstract Deadline: March 15, 2014
