

FIFTH INTERNATIONAL CONFERENCE ON THE CONSTRUCTED ENVIRONMENT

Philadelphia, USA
University of Pennsylvania
16–17 October 2014

Dear Delegate,

On behalf of the Organizing Committee and the International Advisory Board, we are pleased to announce the Call for Papers for the Fifth International Conference on the Constructed Environment and the Call for Submissions to The Constructed Environment Journal.

The 2014 Constructed Environment Conference will be held in Philadelphia, USA from the 16–17 October at the University of Pennsylvania's Perelman Quadrangle. Proposals for paper presentations, poster sessions, 3–D box sessions, workshops, roundtables, or colloquia are invited to the conference, addressing the built environment through one of the following themes:

Theme 1: Design and Planning Processes

Theme 2: Building Processes

Theme 3: Environmental Impacts

Theme 4: Social Impacts

Presenters also have the option to submit completed papers to the fully peer-reviewed International Journal of the Constructed Environment. If you are unable to attend the conference, you may still join the community and submit your article for peer review and possible publication, upload an online presentation, and enjoy subscriber access to the journal.

Proposals are reviewed on rolling deadlines. The final submission deadline for in-person presentations is 16 September 2014 (title and short abstract). Proposals submitted after this day will be accommodated in non-themed sessions at the conference or are eligible for community membership registrations (no attendance at conference required with community membership presentations).
