

International Conference on Technology for Sustainable Development (ICTSD-2015)

<http://ictsd.donboscoconf.in> website:

February 4-6, 2015

DBIT, Mumbai, India

IMPORTANT DATES:

Paper Submission: October 15, 2014

Authors Notification: December 5, 2014

Final Paper Submission and Registration: December 20, 2014

We would like to draw your attention to the International Conference on Technology for Sustainable Development (ICTSD 2015 – <http://ictsd.donboscoconf.in>) whose submission deadline is scheduled for October 15, 2014. We hope you can participate in this conference by submitting a paper reflecting your current research in any of the following areas:

- Energy
- Water
- Agriculture
- Waste Management
- Transportation
- Design
- Natural Capital
- Green Skills in Vocational Training

The goal of International Conference on Technologies for Sustainable Development (ICTSD-2015) is to meet the challenges of sustainability by exploring cutting edge technologies. ICTSD-2015 is a common platform for academicians, researchers, engineers and industry professionals for sharing their ideas in the form of paper presentations, invited and plenary talks, panel discussion and industry product exhibition.

ICTSD-2015, which will be held on 4-6 February, 2015 at Don Bosco Institute of Technology, Mumbai, India invites original paper(s) contributing towards research and developments in the above broad areas. This conference also provides opportunities for the delegates to exchange new ideas and application experiences to establish business or research relations with global partners for future collaboration.

Submitted papers will be subject to a double-blind review process. The accepted papers, after due presentation (oral or poster) will be published in IEEE Xplore Digital Library.

A short list of presented papers will be selected so that revised and extended versions of these papers likely to published by

- Journal of Smart Innovation, Systems and Technologies (Springer)
- Journal of Sustainable Build Environment (Elsevier)
- DBIT Tech Journal 2015

Workshops, Special sessions, Tutorials as well as Demonstrations dedicated to other technical/scientific topics are also envisaged.

Please check further details at the conference website (<http://ictsd.donboscoconf.in>)
