OVERVIEW

Please join The Clute Institute for our 2015 International Business Conference in London, United Kingdom. The aim of the conference is to provide an opportunity for researchers to present their ideas, proposals, or completed research. Since 30 to 50 different countries are typically represented, presenting at this conference is a great way to get feedback from researchers with a different perspective. An extensive list of acceptable topics is available on our website. There will be a post-conference tour on Thursday, June 11, 2015 to see the famous Stonehenge. Arrangements for this tour must be made through the concierge at the Kensington Close Hotel.

CONFERENCE VENUE

This year we've chosen the charming Kensington Close Hotel located in London, United Kingdom. In addition to the International Business Conference, we are also hosting an International Education Conference (including many business education presentations) that will be held on the same days and hotel with one registration covering both conferences.
