

The Sixth International Constructed Environment Conference

Tucson, AZ USA
University of Arizona
2-4 April 2016

Proposals for paper presentations, workshops, poster presentations, focused discussions, or colloquia are invited that discuss the broader themes listed below. Paper presentations will be grouped into one of the following categories for presentation at the conference:

Theme 1: Design and Planning Processes

Theme 2: Building Processes

Theme 3: Environmental Impacts

Theme 4: Social Impacts

Presenters also have the option to submit completed papers to the fully peer-reviewed journal in The International Journal of the Constructed Environment. If you are unable to attend the conference, you may still join the community and submit your article for peer review and possible publication, upload an online presentation, and enjoy subscriber access to the journal.

Proposals are reviewed on rolling deadlines. The next proposal submission deadline is 1 JUNE (title and short abstract).
