

6th International Renewable Energy and Environment Conference (IREEC-2017)
22nd to 24th November 2017
Kuala Lumpur, Malaysia

Dear

Wish you good day

It is matter of my pleasure to announce that the International Renewable Energy and Environment Conference (IREEC) is annually taking place since 2011. Every year researchers and scholars presented their valuable work in the event and developed the linkages with the peoples of industry and academia throughout the globe.

At this time we invite you to submit your abstract to present at IREEC 2017. All the papers presented at the conference will be published in indexed research journal of international repute.

The 6th International Renewable Energy and Environment Conference (IREEC-2017) will be held in Kaula Lumpur, Malaysia from November 22-24, 2017. IREEC is sponsored by WARP, World Academy of Research and Publications. The aim objective of IREEC 2017 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Energy and Environmental Engineering sciences and technology developments. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

All the papers that are selected for either oral or poster presentation will undergo a review process.

Papers presented at the Conference after peer reviewed by expert reviewers will be selected for publication in International Journal of Chemical & Environmental Engineering, which is indexed by the major indexing services. Submit your paper by email at:
