

Shanghai International Conference on Applied Science and Engineering
12th to 14th July 2013
Shanghai, China

SICASE is an interdisciplinary international conference that invites academics and independent scholars and researchers from around the world to meet and exchange the latest ideas and views in a forum encouraging respectful dialogue.

Enquiries: sicase@sicase.org

Web address: <http://www.sicase.org>

SICASE is an interdisciplinary international conference that invites academics and independent scholars and researchers from around the world to meet and exchange the latest ideas and views in a forum encouraging respectful dialogue. SICASE serves as an outstanding platform that gathers all the relevant communities and domains together, an international forum for researchers and industry practitioners to exchange the latest fundamental advances in the state of Applied Science and Engineering. Related domain experts and scholars will discuss academic issues, seize future development opportunities, master the subject developing tendency and exchange the latest researches and academic thinking. Experts, practitioners and policy makers from all around the world will present the latest innovations and advances on Applied Science and Engineering, share the experience and insights, forecast the trends and opportunities, and discuss the policy, economics and social implications.

Submission Deadline Extension: Extended to 5/10

Notification of Acceptance or Rejection: April 20, 2013

Deadline for registration and final submission: June 10th 2013

Conference Dates: July 11–13, 2013

Publishing Opportunities

Authors of accepted abstracts will have the opportunity of publishing their associated paper in the official conference proceedings, and a selection of papers will be considered for inclusion in the internationally reviewed Journal of

"Ecology and The Natural Environment" (JENE)

"Journal of Biophysics and Structural Biology" (JBSB)

"The International Journal of Genetics and Molecular Biology" (IJGMB)

"Biotechnology and Molecular Biology Reviews" (BMBR), "International Journal for Biotechnology and Molecular Biology Research" (IJBMBR).
