

Experimental Fluid Mechanics 2013

19th to 22nd November 2013

Kutná Hora, Czech Republic

The conference will focus on obtaining an overview of projects under investigation, and experimental methods used in the field of fluid mechanics and thermodynamics. Its aim is to organize a network of young research workers who are interested in experimental, and also theoretical, work in the field of fluid mechanics and thermodynamics. The conference should contribute to creating the closer contacts and sharing experience in application of various experimental methods, preparation and implementation of experiments, processing of results and numerical simulations of experiments.

Deadlines

- Registration of the participants and delivering of abstract: 21st June 2013
- Author Notification of abstract acceptance: 24th July 2013
- Delivering of the complete text of the paper: 22nd September 2013
- Author paper review complete and/or acceptance notification: 16th October 2013
- Submission of final paper: 1st November 2013
- Date of the conference: 19th – 22nd November 2013
