

International Psychology Conference Dubai

1st to 2nd November 2013

Dubai, United Arab Emirates

Currently the only conference event in the Gulf Region focusing specifically on professional practice in ALL areas of psychology (including organisational, clinical, counselling, and forensic among others).

The event brings together psychologists and related practitioners from around the region for workshops, papers and discussions.

Several leading International Keynote Speakers will appear with state of the art expertise in areas such as the DSM5 controversy, leadership and career development, criminal profiling and other state of the art topics.
