

International Conference on Education, Psychology, and Social Sciences
6th to 8th August 2014
Taipei, Taiwan

This is monthly (biweekly) update about the upcoming conferences and journal special issues on
Education, Psychology, and Social Sciences.

Apologizes if you receive multiple copies of this message

As demanded by many worldwide scholars, International Conference on Education, Psychology, and
Social Sciences (ICEPS 2014) aims to build an international platform that allows interested parties to
share and discuss their studies regarding all aspects of social sciences, education and psychology from
various perspectives. Prospective authors are welcome to submit their abstract or full papers. The high
quality papers will be recommended to sponsored journals for special issues. To enrich the conference,
invited speech, industry/campus tour, and other activities are under planning.
