

TMS Algarve 2014 – Management Studies International Conference  
26th to 29th November 2014  
Algarve, Portugal

Strategic Management, Human Resource Management, Financial Management, Accounting, ICT  
Management, Innovation, Competitiveness, Marketing, Entrepreneurship, Tourism Management,  
Hospitality Management, Event Management, Health Management.

Highlights: Excellent publication opportunities in ISI-ranked journal or book, networking, high-level  
academic discussions and exciting social and cultural programme.

TMS yearly conferences are leading conferences in the fields of Management and Tourism. All  
submissions are subject to double blind referee. The TMS 2013 conference had 275 presentations  
chosen out of 460 submissions. We published 40 papers in ISI-ranked journals and 6 books. According  
to the conference evaluation 98.7 percent of participants ranked the overall conference organization as  
very good or good and for 60 percent of the participants the conference was better or much better than  
they expected.
