

International Conference on Engineering, Technology, and Applied Science (ICETA) 2015  
22nd to 24th April 2015  
Taipei, Taiwan

The International Conference on Engineering, Technology, and Applied Science (ICETA) 2015 invites you to participate in this great event. The local tour and special issue information are available on the website now.

Because of the advancement on engineering, technology, and applied science, these fields become more sophisticated and interacted. Hence, ICETA 2015 covers a wide range of fields in engineering, technology, and applied science. This conference enables interdisciplinary collaboration between science and engineering technologists in the academic and industrial fields as well as networking internationally. No matter abstracts or full-length papers are all welcome. All submissions to the conference will go through blind review processes by at least two independent peers. Selected papers will be recommended for the fast track reviews by the sponsored journals.
