

6th International Chemical and Environmental Engineering Conference (ICEEC-2015)
27th to 29th December 2015
Hotel Royal, Jalan Walter Grenier, 55100, Kuala Lumpur, Malaysia

Dear Mr./Ms./Dr./Prof.

International Chemical and Environmental Engineering Conference is an annual event of high repute and prestige. Every year researchers, scholars and professionals gather to share their knowledge and experimental work. ICEEC is sponsored by WARP, World Academy of Research and Publications. The aim objective of ICEEC-2015 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Chemical and Environmental Engineering. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Papers are invited to submit for ICEEC-2015 till 15th October 2015. All the papers selected either for Oral or Poster presentation will undergo a review process. Papers presented at the Conference after peer review by expert reviewers will be published after peer review in Internationally recognized and indexed "International Journal of Chemical and Environmental Engineering" (IJCEE). IJCEE is bimonthly peer reviewed journal indexed by Chemical abstract service CAS, a division of the American Chemical Society, Directory of Open Access Journals DOAJ, IndexCopernicus, Academic Resources, EISRJC, CABI indexing, EBSCO, ProQuest and Google Scholar. The Global Impact factor by GIF is 0.367 for year 2012.
