Dear Scholars, Students, NGO and governmental representatives:

We are happy to announce Public Health Conference 2016, that will take place from 11–13 July 2016 in Kuching Malaysia in the beautiful island of Borneo, the home of orangutans and hundreds of indigenous plants and animals.

This highly exciting and challenging international Conference is intended to be a forum, discussion and networking place for academics, researchers, professionals, administrators, educational leaders, policy makers, industry representatives, advanced students, and others interested in public health and relevant topics.

The official language of the conference is English. Conference will be attended by distinguished scholars, governmental officials, NGO representatives and professionals from more than 60 countries worldwide.

We welcome; ORAL, POSTER and VIRTUAL presentations. Early submissions are strongly encouraged due to limited space in the venue, as applications are reviewed on a rolling admission basis – as long as space is available.

The conference topics include, but are not limited to:

Accessibility to healthcare
Alternative medicine
AYUSH and Public Health
Community Health
CSR in Public Health
Disaster and Public Health
Disability
Environmental Public Health
Equity Issues in Public Health
Ethical issues
Ethnic and racial populations
Food safety
Information Technology and Public Health
Illness prevention
International perspectives

LGBTQ individuals
 Health
 Health Analytics
 Health Behavior

 Urban Public Health
 Veterinary Public Health
 Water Sanitation and Hygiene
 Other related areas

Applications are accepted on a rolling admission basis as long as space is available. Due to limited space in the venue and highly competitive admission process we strongly encourage early applications in order to secure a spot in the conference. Papers accepted in the conference will be published in the official ISBN conference proceedings publication.

Public Health Conference 2016 will provide unlimited resources and opportunities to interact with prominent leaders in the field and greatly expand on your global network of scholars and professionals.
