

2016 International Agriculture Innovation Conference
19th to 20th November 2016
Taichung, Taiwan

International Agriculture Innovation Conference (IAIC) is meant to promote the dynamic exchange of ideas among leading researchers, educators, developers and practitioners who share their research and disseminate innovation in education, business, community, environment and government. IAIC is devoted to presenting and examining various issues that are related to current problems seen in agriculture. Come join International Agriculture Innovation Conference.

Taiwan are good at Agriculture Innovation.
Join with us to make tea by your hand and experience Chinese culture.
