

6th Panhellenic Conference of Developmental Psychology

10th to 13th May 2018

Thessaloniki, Greece

The Conference aims to promote excellence in developmental psychology research, education and application on related fields, such as school, healthcare, work, etc. Participants will have the opportunity to attend oral and poster sessions and symposia related to the individual, social, mental, physical, professional etc. aspects of human development. Also, issues related to the development of people with disabilities and special educational needs will be addressed. Our goal is to engage participants in a creative dialogue on the fields of Developmental Psychology, to empower communication and promote scientific partnerships.
