

The 2018 International Conference on Education and Learning (ICEL)
22nd to 24th August 2018
Tokyo, Japan

Dear Colleagues,

Hi, this is ICEL Secretary – Ya-Jyun. We are pleased to announce that The 2018 International Conference on Education and Learning (ICEL) will take place at Waseda University, Tokyo, Japan on August 22–24, 2018.

Based on the 2017 Tokyo International joint Conferences that had received 416 submissions from 45 countries, with an acceptance rate of approximately 75.72% and a registration rate of around 85.08% of the accepted papers, the 2018 Waseda Tokyo International joint Conferences thus are expected to attract more worldwide participants than that in 2017. ICEL is an international platform for scholars, researchers and practitioners to discuss interdisciplinary research and practices in the fields of Education and Learning. Therefore, during the three-day conference, all participants will have plenty of opportunities exchanging ideas, findings and the latest research results, engaging in many academic and industry events, and meeting peers from different countries. We believe participants can share their viewpoints from different perspectives and expose to the cross-domain communicating and learning atmosphere through the interdisciplinary joint conferences. For detailed information which has been <http://icel2018.gaics.org> regarding ICEL 2018, please browse the official website activated to the public since the early December, 2017.

Abstract/Paper Submission Due Date: April 10, 2018

Sign Up and Submit Now!

Notably, we will send all conference proceedings to ISI office to be possibly indexed in the Conference Proceedings Citation Index (CPCI). Please note that ISI office welcomes all submissions but there is no guarantee of inclusion in CPCI. Inclusion in CPCI is selective and competitive, while not all-inclusive.

Looking forward to seeing you at Waseda University in Tokyo.

Sincerely,

Bob Barrett, Ph.D.
Conference Chair of ICEL 2018
Professor and Coordinator of Education and Learning Program,
American Public University, USA

Ta-Wei Hung, Ph.D.
Program Chair, ICEL 2018

Head and Associate Professor of the Department of Information Technology and Management
