

International Congress of the Royal College of Psychiatrists – Psychiatry: New Horizons
24th to 27th June 2018
Birmingham, United Kingdom

xxxxEarly bird rates available until 28 Februaryxxxx

Join over 2,500 psychiatrists at the College's International Congress and invest in your professional development, expand your knowledge, improve your practice, share your ideas, meet new contacts and reconnect with old friends.

The congress returns to Birmingham with the theme Psychiatry: New Horizons and a program featuring 70 symposia and 14 keynote lectures covering a wide range of subjects including cutting-edge science, clinical practice, mental health policy, neuropsychiatry psychopharmacology and so much more.

Keynote speakers include:

- Professor Wendy Burn, RCPsych President
- Baroness Hale, Chief Justice of the Supreme Court of the UK
- Professor Elias Eriksson, University of Gothenburg, Sweden
- Sathnam Sanghera, award-winning journalist and author of The Boy with the Topknot
- Sir Robin Murray, most cited psychosis researcher in Europe
- Professor Ray Dolan, winner of the 2017 Brain Prize
- Professor Karl Friston, most influential neuroscientist in the world as ranked by Semantic Scholar
- Professor Simon Lovestone, practising Old Age Psychiatrist and Professor of Translational Neuroscience at Oxford University
- Dr Altha Stewart, President of the American Psychiatric Association
- Professor Mary Phillips, Director of the Clinical and Translational Affective Neuroscience Program at the University of Pittsburgh
- Professor Emily Holmes, Karolinska Institute's Department of Clinical Neuroscience, Sweden
- Professor Hamish McAllister-Williams, Professor of Affective Disorders, Newcastle University
- Joanna Cannon, Psychiatrist and author of Three Things about Elsie and The Trouble with Goats and

Sheep

– Jonny Benjamin MBE, author and award-winning mental health campaigner

In addition to these keynotes, the real strength of the Congress has always been the wide range of parallel sessions presented by an international faculty and the 2018 menu is even richer than before.

Do have a quick browse of the programme on the website to fully appreciate its breadth and strength.
