

IEEE International Conference on Smart Computing and Electronic Enterprise (IEEE ICSCEE 2018)

11–12 July 2018 – Selangor, Malaysia

Technically Co-Sponsored by IEEE

Dear Professors/ Researchers/ Authors/ Post-doctorates/ Students,

We would like to invite you to submit your papers/ proposals for the IEEE ICSCEE 2018 Conference to be held from 11–12 July 2018 in Selangor, Malaysia.

The theme of the conference is "Computing and Electronic Enterprises: applications, trends and future directions". ICSCEE2018 invited world-class international and local keynote speakers whom are pioneers in their academic and industrial involvements, and they are eager to share their knowledge and expertise. ICSCEE2018 aims to provide researchers and professional practitioners a podium to discuss and share their research and experiences in order to generate international research collaborations.

Conference Tracks:

- Smart Computing
- Big Data
- Information Retrieval
- Network and Data Communications
- Artificial Intelligence
- Information Systems
- Electronic Enterprise

The conference has featured keynote talks, special sessions, poster presentation, workshops, and contributed papers. The goal of the conference is to be a premier venue for researchers and industry practitioners to share new ideas, research results and development experiences in smart computing and electronic enterprise research fields.

The Keynote Speakers in this event are:

- Prof. Dr. Dawei Song, The Open University, UK
- Dr. Dzahar Mansor, National Technology Officer, Microsoft Malaysia.
- Prof. Dr. Ghazali Bin Sulong, Universiti Malaysia Terengganu, Malaysia
- Prof. Dato' Dr. Halimah Badioze Zaman, National Professor Council, Malaysia
- Prof. Dr. Tarek El-Ghazawi, The George Washington University, U.S.A
- Prof. Emer. Dato' Dr. Tengku Mohamad bin Tengku Sembok, National Defence University of Malaysia
