

2019 9th International Conference on Chemistry and Chemical Process (ICCCP 2019)

2019 9th International Conference on Chemistry and Chemical Process (ICCCP 2019) will be held in National University of Singapore during February 25–27, 2019.

Conference Venue; National University of Singapore–Shaw Foundation Alumni House

Main Attractions:

1. Famous professor as Keynote Speaker  
Prof. Paisan Kittisupakorn, Head of Department of Chemical Engineering, from Chulalongkorn University, Thailand  
Prof. Ho Chee Cheong, Dean of Faculty of Applied Sciences, from University AIMST, Malaysia  
Prof. Hiroyuki Nakamura, from Tokyo Institute of Technology, Japan  
Prof. Shen–Ming Chen, from National Taipei University of Technology, Taiwan

2. Academic Visit

There will be a one–day academic visit in National University of Singapore on February 27, 2019.

3. Publication and index

Accepted and registered papers will be published in: International Journal of Chemical Engineering and Applications (IJCEA ISSN: 2010–0221), which will be indexed by Chemical Abstracts Services (CAS), Ulrich's Periodicals Directory, CABI, Electronic Journals Library, Google Scholar, Engineering & Technology Digital Library, ProQuest, and Crossref.

Important Date

- Paper Submission Before October 10, 2018
- Notification of Acceptance On October 30, 2018
- Authors' Registration Before November 20, 2018
- Conference Dates February 25–26, 2019
- One Day Visit February 27, 2019
