

7th Asian Conference of Coordination Chemistry (ACCC7)  
15th to 18th October 2019  
Kuala Lumpur, Malaysia

On behalf of the Organising Committee of ACCC7 we wish to invite everyone to attend the 7th Asian Conference on Coordination Chemistry in Kuala Lumpur, Malaysia. We can promise you an interesting scientific programme to suit the needs of the coordination chemists.

Besides the scientific programme there are many interesting places to visit and explore. Malaysia is a melting pot of cultures and traditions, a reflection of our brand as Malaysia Truly Asia.

ACCC7 aims to gather inorganic and coordination chemists all over the world to present their most recent research findings and to exchange ideas on the most frontier research topics in inorganic and coordination chemistry.

Deadline for submission of abstracts:  
31st May 2019

Deadline for Early-Bird Registration:  
31st July 2019
