Computing Conference 2020 – Call for Papers
16–17 July 2020 – London، United Kingdom

We'd like to invite you to submit your papers for the Computing Conference 2020 to be held from 16–17 July 2020 in London، UK.

Computing Conference is a research conference held in London since 2013. The conference series has featured keynote talks، special sessions، poster presentation، tutorials، workshops، and contributed papers each year. The goal of the conference is to be a premier venue for researchers and industry practitioners to share new ideas، research results and development experiences in computing and related fields.

Conference Tracks include Computing، Artificial Intelligence، Machine Vision، Security، Communication، Ambient Intelligence، e–Learning etc.

Important Dates (Regular Submission):
Paper Submission Due: 01 October 2019
Acceptance Notification : 01 November 2019
Author Registration : 01 December 2019
Camera Ready Submission : 01 January 2019
Conference Dates : 16–17 July 2020

http://saiconference.com/Computing Complete details are available on the conference website :

Computing Conference 2020 proceedings will be published in Springer series "Advances in Intelligent Systems and Computing" and submitted for indexing to ISI Proceedings، EI–Compendex، DBLP، SCOPUS، Google Scholar and Springerlink. The publications within "Advances in Intelligent Systems and Computing" are primarily proceedings of important conferences، symposia and congresses. They cover significant recent developments in the field، both of a foundational and applicable character.

Please get in touch if you would like to contribute in more ways; and feel free to circulate this information among your colleagues/students.

Looking forward to your contributions.

Regards،
Kohei Arai
Program Chair، Computing Conference 2020
