

Intelligent Systems Conference (IntelliSys) 2020
3–4 September 2020 – Amsterdam, The Netherlands

We'd like to invite you to submit your papers/posters for the Intelligent Systems Conference (IntelliSys) 2020 to be held from 3–4 September 2020 in Amsterdam, The Netherlands.

IntelliSys 2020 will focus on areas of intelligent systems and artificial intelligence and how it applies to the real world. IntelliSys provides a leading international forum that brings together researchers and practitioners from diverse fields with the purpose of exploring the fundamental roles, interactions as well as practical impacts of Artificial Intelligence. Conference topics are listed on the event website.

The conference programme will include paper presentations, poster sessions and project demonstrations, along with prominent keynote speakers and industrial workshops. All submitted papers will be reviewed by experts in the field based on the criteria of originality, significance, quality and clarity.

Important Dates:

Submission Deadline: 15 January 2020 (FIRM DEADLINE)

Acceptance Notification: 1 February 2020

Author Registration: 15 February 2020

Camera Ready Submission: 1 March 2020

Conference Dates: 3–4 September 2020

IntelliSys 2020 proceedings will be published in the Springer series "Advances in Intelligent Systems and Computing" and submitted for indexing to ISI Proceedings, EI-Compendex, DBLP, SCOPUS, Google Scholar and Springerlink. The publications within "Advances in Intelligent Systems and Computing" are primarily proceedings of important conferences, symposia and congresses. They cover significant recent developments in the field, both of a foundational and applicable character.

Looking forward to your contributions.

Regards,

Kohei Arai

Program Chair, IntelliSys 2020
