OVERVIEW

You are invited to participate at ICERI2022 (15th annual International Conference of Education, Research and Innovation) that will be held on the 7th, 8th and 9th of November 2022 in Seville (Spain).

This conference will provide the ideal opportunity to present your projects and experiences to an international audience in three different formats (oral, poster or virtual). Also, it will offer participants an overview of the current situation of education, research and new learning innovations. You will be able to listen to experts from different countries, representing all continents.

If you wish to learn more about how education is changing the world and how technology is influencing the learning/teaching methodologies, then do not miss the opportunity to come to ICERI2022.

A TRULY INTERNATIONAL EVENT

After 15 years, ICERI has become an annual meeting point for lecturers, researchers, professors, educational scientists and technologists.

Every year, ICERI brings together over 800 delegates from 80 different countries.

VENUE

Seville is certainly one of the most beloved places by visitors to Spain. It is the home of Andalusian tradition, flamenco and bullfighting.

It is universally famous for being a joyous town, with narrow and medieval streets, romantic hidden plazas and heritage of art and architecture (Roman, Islamic, Gothic, Renaissance, baroque). Additionally, do not miss the opportunity to enjoy its tasty traditional tapas and relax at a Flamenco bar.

Seville is a very accessible city with an international airport. From Madrid, you can also take a high-speed train that will bring you to the centre of Seville.
