2024 International Conference on Applied Economics (ICOAE 2024)
11th to 13th July 2024
Belgrade، Serbia

The aim of the ICOAE conferences is to bring together economists from different fields of Applied Economic Research in order to share methods and ideas. For ICOAE2024 contributions are welcome from all areas of Economic Science (id est all subject areas included in EconLit) that use applied econometrics as their methods of analyses. Indicative fields include Applied Micro- and Macroeconomics، Applied Financial Economics، Applied Agricultural Economics etcetera. About 150 articles are submitted each year from about 40 countries with an acceptance rate of about 65٪.

ICOAE2024 Proceedings will be published by Springer in the series 'Springer Proceedings in Business and Economics' under the title Advances in Applied Economics – 2024 International Conference on Applied Economics (ICOAE)، 11–13 July، Belgrade، Republic of Serbia. ICOAE proceedings are indexed in Scopus.

https://equinocs.springer Submission of papers is made on Springer's Online Conference System (OCS) nature.com/service/ICOAE2024 . All articles are accepted after double-blind refereeing. Upon acceptance، authors are required to complete and submit online a copyright transfer form.

Selected authors will be invited to submit an extended version of their article for a possible publication in the International Journal of Computational Economics and Econometrics (IJCEE)
