

Dear Sir/Madam,

We are pleased to inform you that the Gyancity Research Lab, MIR Lab, India UTHM Malaysia, MUET Pakistan, University of Malaga Spain, and Aalborg University, Denmark are organising International Conference on Recent Trends in Computer Science and Electronics Engineering (RTCSE'17). The conference will be held on 02-03 January 2017 in Swiss-Garden Hotel, 117, Jalan Pudu, 55100 Kuala Lumpur, Malaysia.

<http://www.rtcse.org/> Conference Website:

The main objective of RTCSE'17 is to present the research from different areas of science and technology. This conference provides a platform for researchers and scientists across the world to exchange and share their experiences and research results about all aspects of electronics and information technology. This conference also provides an opportunity to interact and establish professional relations for future collaboration. The conference aims to promote innovations and work of researchers, engineers, students and scientists from across the world on Advancement in electronic and computer systems.

The RTCSE 2017 technical program will consist of plenary and keynote lectures in which the leading experts will present state-of-the-art reviews of rapidly-developing technology in addition to the latest significant findings and developments in all related fields. The event is expected to bring together more than 500 academicians, researchers, managers, designers, practitioners and users who both advocate and adopt distinctively participatory approaches in the development of systems, services and technology in the field of Electronic and Computer systems.

We invite you to make a valuable contribution to the Conference. All accepted paper will publish in Scopus Index Journal. Some of our Scopus Index Journal are following:

International Journal of Software Engineering and Its Applications (IJSEIA)
International Journal of Control and Automation (IJCA)
Indian Journal of Science and Technology (IJST)
International Journal of Applied Engineering Research (IJAER)
International Journal of Multimedia and Ubiquitous Engineering (IJMUE)
International Journal of Security and Its Applications (IJSIA)
International Journal of Smart Home (IJSH)

We invite you to contribute research papers in the conference. Please consider our invitation. We look forward to hearing from you and appreciate your consideration. We look forward to see you in Kuala Lumpur, Malaysia.

Abstract and Full Paper submission: 15th August 2016.

Notification of Acceptance: As Soon As Possible After Review by 4-5 Reviewers
